HIGHLIGHTS

NOVEMBER 2025

Dear Parents & Students

The month of November was filled with joyful learning experiences, and exciting activities for our little learners. The focus was on building confidence, creativity and communication through different activities.

Kindergarten celebrated a joyful **Baal Mela** on 11th November 2025 on the occasion of Children's day filled with fun, laughter, and excitement. The school playground turned into a colourful fair where children enjoyed a variety of games, activities, rides and food stalls. Our little ones enthusiastically participated in various games like Feed the joker, Lucky dip, Hoopla, Jam session etc.

The Preschool & Pre Primary classes conducted vibrant **class presentations** from **17th to 20th November** on the theme **“Birds, Animal, Flowers, Insects and Seasons”** showcasing the beauty of nature through the eyes of our young learners. Children confidently presented rhymes ,songs, dialouges and short role plays reflecting their understanding of the natural world. The class presentation was witnessed by enthusiastic and supportive parents,whose presence greatly encouraged the students.
