

QUEEN MARY'S SCHOOL, NORTHEND

HIGHLIGHTS

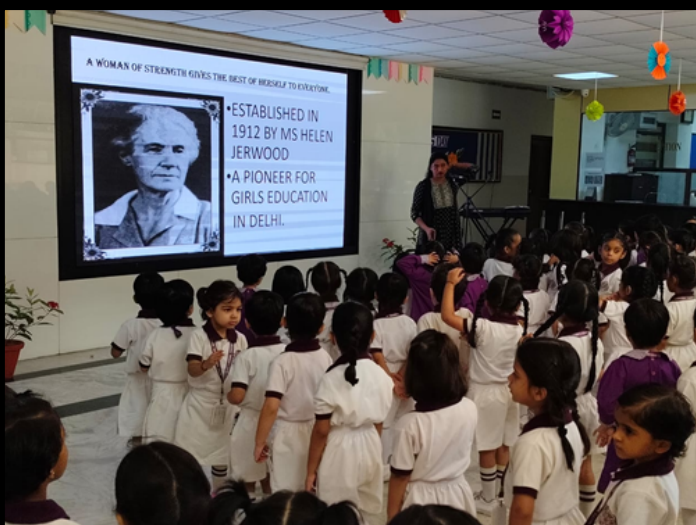

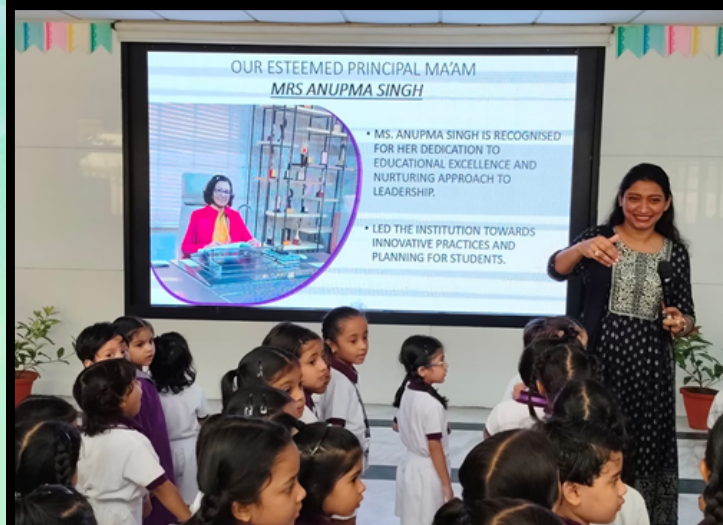

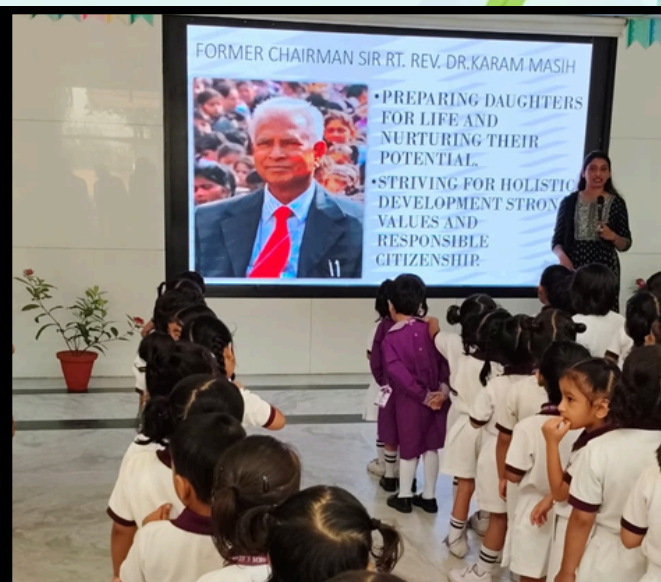

OCTOBER 2025

Dear Parents & Students

We are delighted to share with you a glimpse of our exciting October adventures. From activities to celebrations, our tiny tots had a wonderful time learning and growing.

Founders' Day was celebrated on **10th October 2025** with great reverence and enthusiasm. A special assembly was organized to commemorate this significant occasion and to honour the noble vision of **Miss Helen Jerwood**. Our young learners offered prayers, sang songs and expressed gratitude with a beautiful dance performance for the strong values and legacy of our school.

As part of the celebration, children also took part in **card-making activity**, beautifully decorating their cards with love to pay tribute to the school.

The Kindergarten picnic held on 8th October 2025. It was a wonderful experience that gave the children a day full of fun, adventure, and learning outside the classroom. It helped them bond with their classmates and teachers while enjoying nature in a safe and joyful environment.

World Food day was celebrated with a special assembly to raise awareness about healthy eating habits and the importance of food in our lives.

Little Hands, Big Festive Smiles!

Our students celebrated the Festival of Lights with joy, creativity, and laughter all around! From lightning the lamp of wisdom to colourful rangoli making and festive crafts — every moment sparkled with happiness and togetherness.

Our little Queen Marians celebrated the joy of Diwali with a fun-filled Diya craft Activity! Their creativity and enthusiasm lit up the classroom as they decorated beautiful diya's spreading colours of happiness and festive cheer all around.

Book Week Celebration (27th October - 1st November)

We celebrated Book Week with great excitement and curiosity. The celebration aimed to develop a love for books and reading among the young learners. As part of the celebration, a colouring activity was organised for our little ones. The event helped children understand the importance of books in learning.
